

Human Variation and Race

Scratching the Surface

Before We Begin...a Test Poll | Text your answer code to 22333.

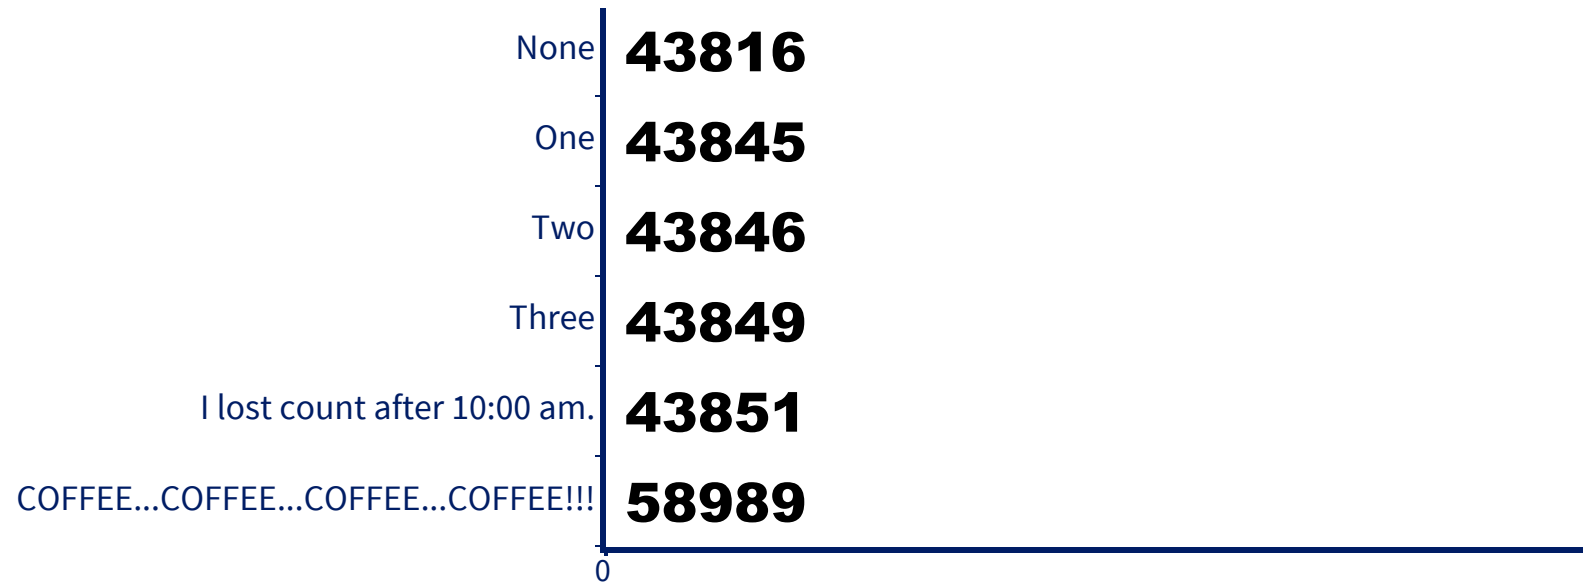

How many cups of coffee have you had today?

When poll is active, respond at **PollEv.com/ebatey512**

Text a **CODE** to **22333**

Sorting People by Physical Appearance

Sorting People #1

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #1

Classification

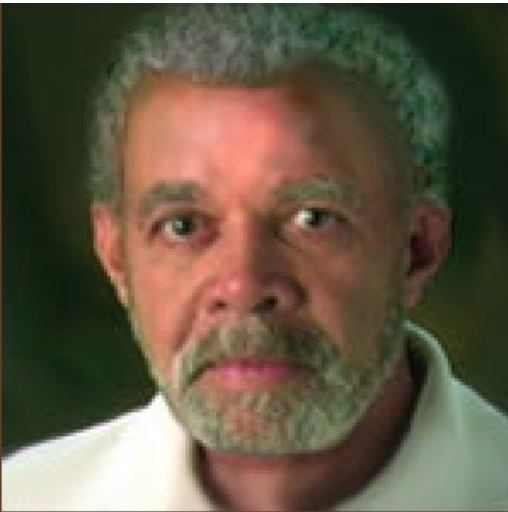

- **American Indian (AI)**
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #2

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #2

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- **Hispanic/Latino (HL)**
- White (W)

Sorting People #3

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #3

Classification

- American Indian (AI)
- Asian (A)
- **Black (B)**
- Hispanic/Latino (HL)
- White (W)

Sorting People #4

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #4

Classification

- American Indian (AI)
- Asian (A)
- **Black (B)**
- Hispanic/Latino (HL)
- White (W)

Sorting People #5

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #5

Classification

- American Indian (AI)
- **Asian (A)**
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #6

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #6

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- **Hispanic/Latino (HL)**
- White (W)

Sorting People #7

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #7

Classification

- **American Indian (AI)**
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #8

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #8

Classification

- American Indian (AI)
- **Asian (A)**
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #9

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

Sorting People #9

Classification

- American Indian (AI)
- Asian (A)
- **Black (B)**
- Hispanic/Latino (HL)
- White (W)

Sorting People #10

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- Hispanic/Latino (HL)
- White (W)

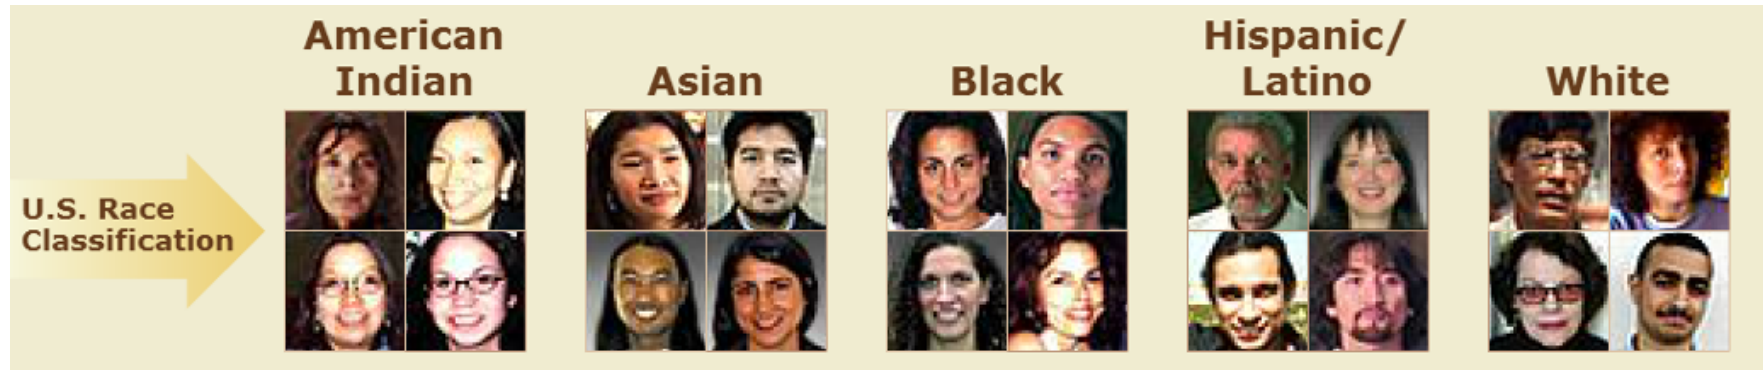

Sorting People #10

Classification

- American Indian (AI)
- Asian (A)
- Black (B)
- **Hispanic/Latino (HL)**
- White (W)

Results & Discussion

1. Calculate your percent correct/incorrect classification. **(1 minute)**
2. Share with your group. **(1 minute)**
3. With group, come up with at least two reasons why *your* classification may not have matched a respondent's *self-classification*? **(2-3 minutes)**
4. Polls and discussion ____

Poll #1 | Text your answer code to 22333.

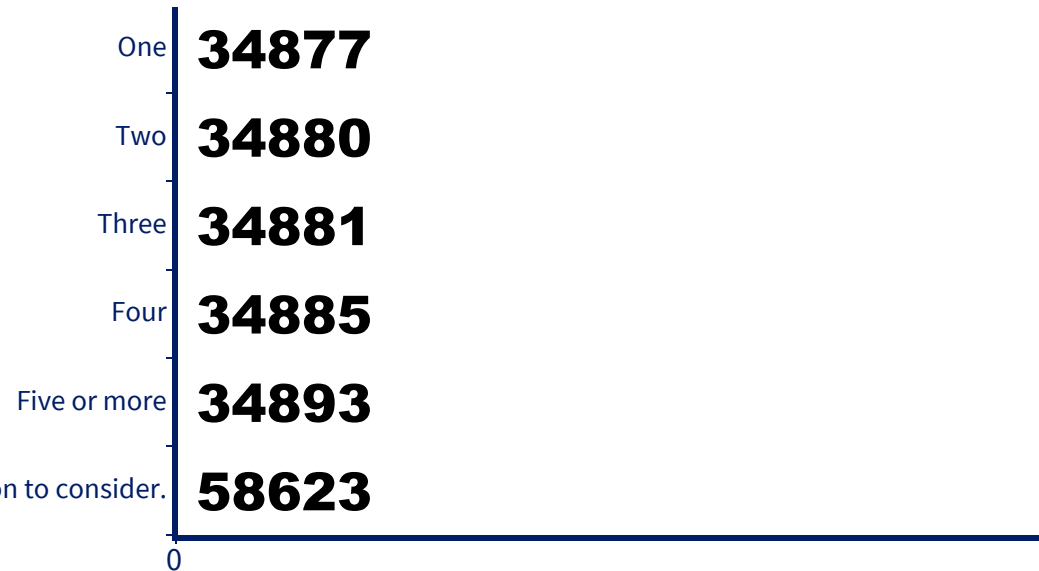

How many human races exist today?

When poll is active, respond at **PollEv.com/ebatey512**

Text a **CODE** to **22333**

Poll #2 | Text your answer code to 22333.

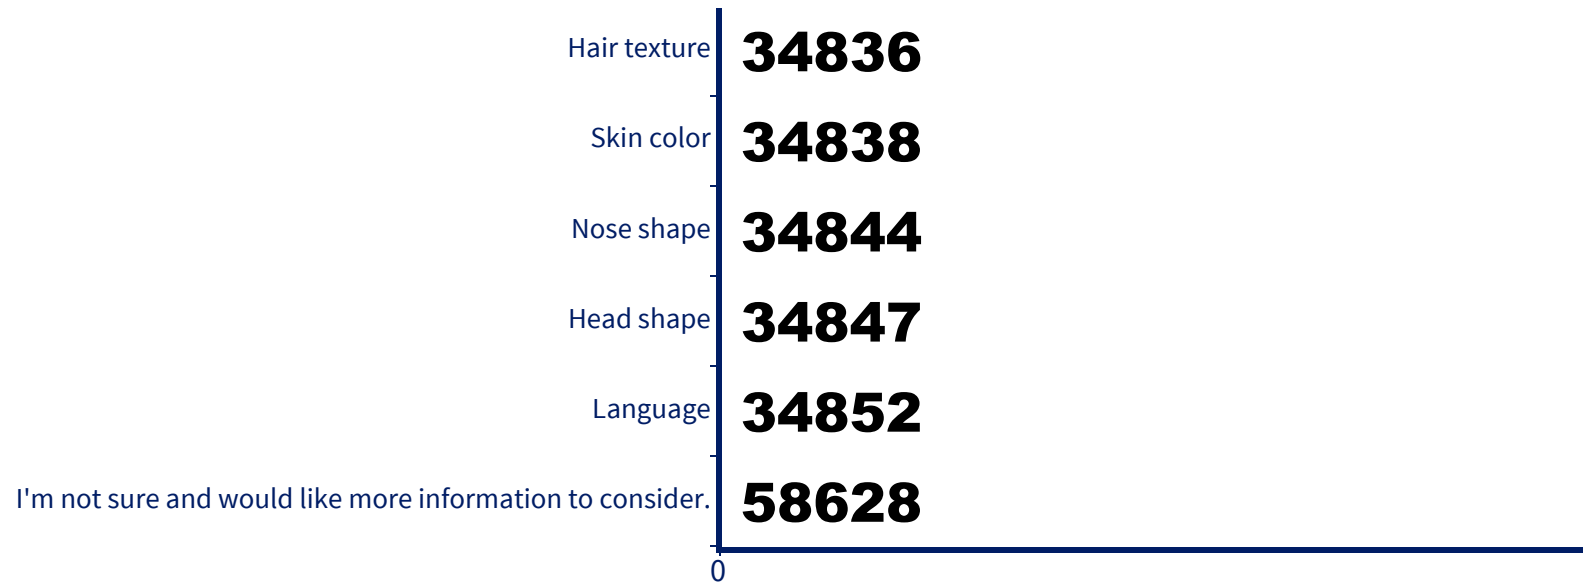

Which feature most distinguishes between races?

When poll is active, respond at **PollEv.com/ebatey512**

Text a **CODE** to **22333**

Final Thoughts & Questions

- Classifying people is a highly subjective process.
- Physical appearance may reveal very little about someone's ancestry or self-identity.
- Race must be recognized as a complex concept, with socio-cultural, historical, and biological components.

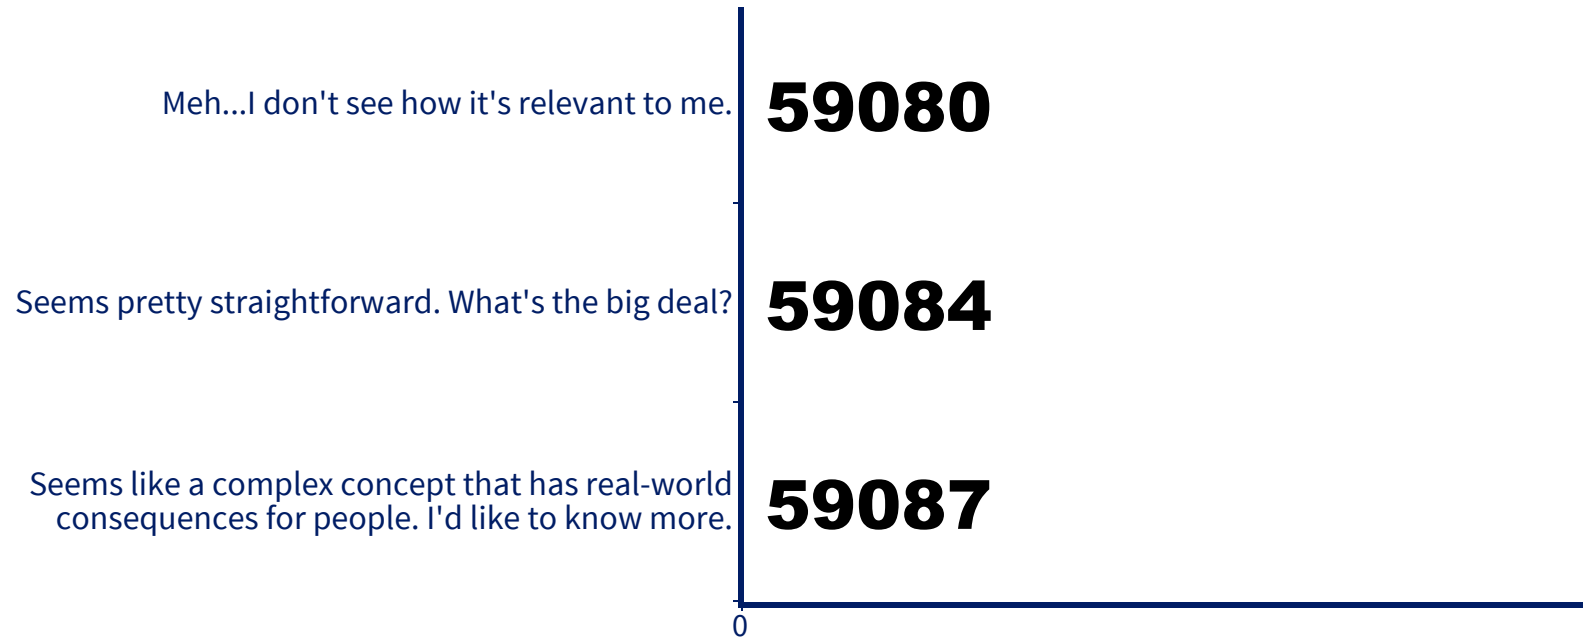

After this session, what do you think about race?

Respond at **PollEv.com/ebatey512**

Text a **CODE** to **22333**

Thank you :-)
